

**RFP 26-436**

**Operation and Management of  
Workforce Solutions Deep East Texas Workforce Centers and Programs**

**Questions & Answers**

- 1. Question:** What is the file size limit of the inbox we will be submitting to?

**Answer:** The inbox used for submission has a maximum email size of 40 MB per email, inclusive of the contents of the email itself and all attachments.

- 2. Question:** In the event that our submission exceeds the inbox file size limit, please confirm that multiple emails marked Email 1 of X, 2 of X, etc., are permissible.

**Answer:** Yes. If the total submission exceeds the maximum file size limit, Respondents may submit their proposal in multiple clearly labeled emails (e.g., "Email 1 of X," "Email 2 of X") or may submit the proposal via a single email containing a link to access the full proposal. In all cases, the complete proposal must be accessible and received by Workforce Solutions Deep East Texas by the proposal submission deadline.

- 3. Question:** Please confirm that tables, charts, and graphics may be less than 11-point font, so long as legible.

**Answer:** Yes. Tables, charts, and graphics may use a font size smaller than 11-point, provided the content remains legible and readable for evaluation purposes.

- 4. Question:** Please confirm that questions may be truncated, removed and/or smaller 11-point font, so long as legible.

**Answer:** Yes. Questions may be truncated, removed, or presented in a font size smaller than 11-point, provided it is clear to evaluators which solicitation question is being addressed and the response remains legible and complete.
